

Key features/products included	WinZip Standard	WinZip Pro	WinZip Enterprise
Maintenance One year of free upgrades and priority email support.	Sold Separately	Sold Separately	INCLUDED
NEW! Prompt to Unzip on Open Instantly unzip any Zip file in Explorer, from the WinZip Files Pane, or from the WinZip Ribbon or File menu.	✓	✓	✓
NEW! Direct Access Technology for faster display and unzipping WinZip's Direct Access Technology provides a noticeable reduction in time to display and unzip large Zip files stored in the cloud.	✓	✓	✓
NEW! POSIX TAR Support You can now open and unzip POSIX TAR files in the updated compression format.	✓	✓	✓
NEW! Image Format Conversion Quickly and easily reduce image file size and convert images from one format to another, for example, from jpg to png. Add to a Zip file or save to your desktop for multi-use.	✓	✓	✓
NEW! Remove Personal EXIF data from files Stop sharing personal information accidentally. Remove hidden personal data (EXIF) from files before they are shared. Use WinZip to secure any of the following file types to ensure they do not contain hidden personal data: DOC/DOCX, GIF, JPG (JPEG), PDF, PNG, PSD, PPT/PPTX, and XLS/XLSX.	✓	✓	✓
NEW! Save and Reuse WinZip Express Settings Name and save your favorite WinZip Express settings and reuse them at a later time. Reuse the settings as often as you wish without having to remember which settings you previously used. Plus you can schedule WinZip Express to run automatically using saved settings.		✓	✓
Compress/Decompress Zip and unzip files in all major formats.	✓	✓	✓
WinZip Command Line Use WinZip directly from the command prompt and from batch (.BAT) files and script languages to pinpoint control over WinZip's actions.	✓	✓	✓
Encrypt/Decrypt Password protect files and secure data with 128- and 256-bit AES encryption.	✓	✓	✓
FIPS 140-2 supported Ensure your business meets U.S. government requirements for FIPS 140-2 encryption, both at rest and during exchange, even if Windows OS is not in FIPS 140-2 mode.			✓
Package and Share Share, access and manage files on several leading cloud services from within WinZip. Convert to PDF, add watermarks and resize images. Share faster with the Combined Address Book.	✓	✓	✓
Rich file management Easily access and work with files on your PC, network, HomeGroup and clouds. Move selected files to individual zips for streamlined sharing to devices.	✓	✓	✓
ENHANCED! Schedule File and Folder Clean Up using Background Tools Set your own schedule and execution for WinZip's background tools. Let them work on your system when you aren't.	✓	✓	✓
Backup and Automate Automate and schedule backups to prevent data loss, backup to any connected cloud and burn backups directly to CD, DVD or Blu-ray Disc. Combine files from your PC, network and clouds in one backup. Drag and drop files from Explorer or the WinZip File Pane into the Job Wizard for backup.		✓	✓
Built-in scanning WinZip Scan and Share lets you scan from WinZip, save your scan on your PC, network or clouds, and encrypt before sharing if you wish.		✓	✓
